## HOW TO REAIN STRENGTH

The great factor that retards recovery after sickness is that weakened devitalized condition, and it will interest our readers to know that our local druggist, Wm. L. Gohay, has a reliable, non-secret strength creator called Vinol, which contains iron for the blood, the curative medicinal extracts of fresh cod livers and the nourishing properties of a beef peptone, all combined in a delicious native wine. For weak, run-down conditions and to regain strength after sickness, there is nothing better.

Perkins.

Rev. and Mrs. C. W. Turner were guests of Mr. and Mrs. L. M. Loomis last week Tuesday.

Elmer and Truman Amidon are having acetylene gas installed in their houses and farm buildings.
